

Family Connections April 2025

2017 National Blue Ribbon School

Happy Spring! We had such an awesome turn out at our Escape Room Slime Challenge family night. It was great to see so many of our families working together to unlock the slime!

Our Kindness Committee is still collecting for our Bread of Life food drive. Your donation is greatly appreciated. Please help us to help others in need.

Thank you to everyone who completed their NYC School Survey. We will be delivering ices to the classes that have 100% survey completion before Spring Break.

Please take a moment to log into your child's NYC Schools Account (NYCSA). This is the account where you can find your child's academic information including report cards, attendance, Parent University, and much more. In this account you can also vote in the CEC elections which will take place later this month. It is very important that you have access to this account. If you forgot your password, simply reset it using the email address you used to set up the account. If you are not sure what email address you used, or if you changed your email address, please reach out to me for assistance. Please be reminded that this is NOT the same account that you use to apply to Kindergarten or middle school and so on.

If you received a vision referral letter from Ms. Marissa, please be sure to follow up with the eye doctor. It is important that all students who need glasses have them, especially our students in grades 3-5 who will be taking the NYS ELA this month. Please reach out to me if you need assistance finding a doctor. We are looking forward to our Virtual Parent Teacher Conferences on Thursday, April 10th. Please be reminded that it is also a half day of school and there is no FIAO afterschool.

We look forward to "seeing" you!

Sincerely,
Ms. Salerno/Parent Coordinator

The Information You Need!

If you require translation assistance with documents sent home, feel free to contact the school so we may assist you. You may also consider the free app, Microsoft Translator. We always do our best to have all documents translated, however turn over time does not always permit this with time sensitive documents. We also have access to over the phone interpretation and "Pocket Talk" hand held translation devices to help meet communication needs of our families. Language Line has numerous languages and dialects available to us. Please feel free to take an "I speak" card from our lobby and hand it to our safety agent. We will call an interpreter for you!

Don't forget to log into your child's HMH Ed Platform

This is where parents and students can go to, to interact, engage and explore the HMH Into Reading which is your child's reading program.

Go to the NYC Public Schools website and click on TeachHub.

You will be taken to a sign in page, enter your child's DOE email address _____@nycstudents.net and their password.

Go to the dashboard where you will find assignments and resources. You can explore and also find support.

I encourage you to visit this dashboard often, as it will also assist you in supporting your child at home.
